

My Hero wristband

Inside you will find:

Sample wristband.
Blank wristband for child to design.
Sellotape/glue stick.

To Make/Play:

1. Talk about the wristbands included and what the wristbands say.
2. Ask the child what kind of wristband they would like to design and create it together.
3. Explain to the child that they will be able to wear their wristband when they feel proud of something they have achieved!
