

# A Treasure Hunt

## Inside you will find:

Two matching sets of treasure, for example:

- feather
- stone
- stick
- wooden peg
- pine cone
- two treasure map templates.

## To Make/Play:

1. Adult and child look at the materials together.
2. Adult and child in turn will 'hide' the treasure outside or in another room.
3. Each person must find a complete set of treasure. If you find **two** of anything, you take only **one**.
4. Place your treasure onto your treasure map.
